CLINICAL AND WORK EXPERIENCE

| | |
|---|--------------------------|
| Apogee Medical Group, Bayhealth Medical center, Milford, Delaware Working as an internal medicine hospitalist physician, I see a wide variety of patients requiring. Inpatient level of care including step down unit and ICU coverage on the night Rotations. I worked with residents on the teaching service in the residency program. I am an Antibiotic stewardship committee member and work with ID physicians and pharmacists to Optimize antibiotic prescribing practices and participated in data review and development of new protocols to reduce overuse of antibiotics and improve patient outcomes. I am a Sepsis committee member and contribute to the development and implementation of hospital wide sepsis protocols. Supported the multidisciplinary efforts to meet CMS score Measures for sepsis care. | Aug 2022- Present |
|---|--------------------------|
